

Compensation for the Directorship Position(s)

The Board is open to dividing the directorship into two positions (as it is now) or returning to a one person directorship (as it used to be).

These figures reflect that option:

- figure range of \$7,500 - \$8,500 (co-directors working 5-7 hours per week per person)
- figure range of \$15,000 - \$17,000 (one person working 10-15 hours per week)

Note: this is a contract position, not a salary with withholdings
