

Interfaith Round Table 's Report 2022

What We did this Year!

“BUILDING BRIDGES”

Despite challenges, we found ways to build community. IRT initiated a new program, “REAL TALK,” which focuses on topics of race, ethnicity, religion, and the advancement of justice through the lenses of faith. We continued the rest of our programs to build understanding and compassion within the community.

Day Forum: This year IRT hosted multiple Day Forums on various topics, some are: the Place of Prayer in the Modern World | Caring for Community Trauma | Environmentalism and Climate Justice | Discussing Modern Psalms: Beloved, Sacred Texts | How to be an Ally?

REAL TALK topics (2022 new initiative): Some topics that we covered this year are: The Role of Faith on Gun Violence Response | Justice and Faith: What do the diverse religions say about justice? | Active, courageous nonviolence is the only way to end racism and build peace.

Annual Interfaith Fall Celebration: This year, our interfaith celebration brought more than 100 people from diverse communities together to give thanks with inspirational music and brief reflections from various faith traditions, with time for socializing. IRT donated approximately \$250 worth of food items to Food Gatherers and half of the offerings received on the day.

UPCOMING EVENT: The Story of Hope and Faith

December 11 at 3-4:30 pm EST

How, in today's America, Prophet Abraham's story gives us hope to build bridges and care for shared humanity. Register via website.

IRT ONLINE COMMUNITY!

Interfaith Round Table has created many social media infographics to educate and spread awareness about diverse religious and cultural traditions. One campaign was the "Faith Challenge," to get to know your neighbors and colleagues and build relationships that the IRT strives for.

We invite you to join the Interfaith Round table Online community to stay connected and updated.
